Dear Rabbi Friedman,

I wanted to thank you for the wonderful work that you did during the circumcision of my nephew William. Certainly, we were grateful for your wonderful technical expertise, but your kindness and sensitivity were also very appreciated. I truly believe that everyone was touched by the ceremony that you performed.

Your skill and caring made what is commonly a stressful situation very easy, and on behalf of our entire family I send you our most heartfelt thanks.

Sincerely,

Jaime Landman
